Note: Applicants must complete a 45-hour field experience in K-12 general education settings within the last 7 years and complete this form as evidence of your having met this field experience in order to be eligible for full admission to the Preliminary Special Education Credential Program. While this completed form may serve as sufficient evidence we suggest that you include accompanying evidence of having completed this 45-hour general education experience, such as a log of your hours spent as a para-educator in a general education classroom, a student teaching evaluation for your Multiple or Single Subject credential, etc. If using substitute teaching hours they must be broken down by date and setting to verify general education. By signing this form, you agree for us to contact the supervisor listed on this form for additional information. Please note that providing false information on this form may result in denial or revocation of admission to the Special Education Credential Program.

The following experiences are not accepted: after school programs, special education settings, specialized learning centers, camps, recreation settings.
