

Federal Disclosure Form

Investigators and/or Key Personnel

Statements of Financial Interest

Under CSULB Presidential Executive Order, the Principal Investigator and all other CSULB Investigators who share responsibility for the design conduct, or reporting of certain sponsored projects must report their personal financial interests in any organization(s) that, to the best of the Investigator's knowledge, may have a significant impact on the conduct of this research or might benefit from the anticipated results of the proposed project. Definitions of Significant Financial Interests are found below.

A. INVESTIGATOR INFORMATION

Last Name: _____ First Name: _____
 Department/Center: _____ College/Division: _____
 Project Period: _____ Funding Total: _____
 Title of Proposal: _____
 IRB/IACUC Approval Numbers (if applicable): _____

B. REASON FOR DISCLOSURE (CHECK ONE)

New Proposal New Investigator Change in Financial Interest
 Annual Reporting Renewal Other:

C. SPONSORING FEDERAL AGENCY

DHHS/PHS/NIH/NSF Other Federal Agency (specify): _____
 Sub-Award with Federal Agency as Prime
 CSULB's Direct Sponsor: _____
 Direct Sponsor's Federal Prime Agency: _____

D. ADDITIONAL REQUIRED INFORMATION

1. If there are Key Personnel who share responsibility for the design, conduct, or reporting of the research, please list these individuals below. They are required to sign and complete a separate disclosure form.
 Name: _____ Name: _____
 Name: _____ Name: _____
 There are no other Key Personnel to report.
2. Do you, your spouse or dependent children have any significant financial interests related to the work to be conducted as part of the above reference project? Yes No
 If YES, Investigator's Disclosure of Economic Interests is attached.
3. Do you benefit from any reimbursed or sponsored travel (i.e., travel paid on your behalf that is not reimbursed, so that the exact money value may not be readily available), not related to your institutional responsibilities? Yes No
 If YES, Investigator's Disclosure of Economic Interests is attached.
4. Will Non-CSU Investigators be involved with the PI or Co-PI, in the design, conduct, or reporting of the activities associated with the project (e.g. subcontractors, consultants, others with significant responsibilities)? Yes No
 If YES, CSULB must be assured that the affiliated institution has policies that comply with the funding agency's regulations. Such assurance should be provided along with the participant's letter of commitment or sub-recipient commitment form to the project.

DISCLOSURE AND CERTIFICATION

The Investigator's signature certifies that all individuals required to make disclosures of Significant Financial Interests have been listed on this form, or that no other individuals working on the research are required to make such disclosures.

The Investigator named below acknowledges the responsibility to disclose any new Significant Financial Interests acquired during the term of the award.

DHHS/PHS/NIH Awards-The Investigator will complete the mandatory FCOI training prior to engaging in funded research. Each Investigator must complete the initial CITI training, and a CITI refresher training every four (4) years thereafter.

Investigator means the project director or principal investigator and any other person, regardless of title or position, who is responsible for the design, conduct, or reporting of federally funded research, or proposed for such funding, which may include, for example, collaborators or consultants.

Do you, your spouse or registered domestic partner, or dependent children have a Significant Financial Interest related to the work to be conducted under the proposed project? (see the following section for definitions of Significant Financial Interests)

Yes

No

Definitions of Significant Financial Interests-Federal Government Sources (excluding DHHS/PHS/NIH)

Significant Financial Interest(s) include but are not limited to:

- **Income** including salary or other payment for services including consulting fees, honoraria, reimbursement of expenses (including travel), royalty payments, dividends, loans from an entity, or any other payments or consideration with value, including payments made to a health sciences compensation plan, during the prior twelve months or anticipated in the next twelve months, of \$10,000 or more;
- **Equity** in the form of stock, stock options, warrants, real estate, loans to or from an entity, or any other investment or ownership interest exceeding either \$10,000 (current market value if publicly traded; otherwise, amount of investment) or a 5% ownership interest, for any one enterprise;
- **A management position**, whether paid or unpaid, such as board member, director, officer, partner, or trustee;
- **Ownership or other interest** in an entity that is proposed as a subcontractor, consortium member, and lessor or otherwise involved in the project;
- **Intellectual property interest** on a patent, patent application, or copyright assigned or licensed to a party other than CSULB.

Definitions of Significant Financial Interests DHHS/PHS/NIH

Significant Financial Interest(s) include but are not limited to:

- **Income** including salary or other payment for services including consulting fees, honoraria, reimbursement of expenses (including travel), royalty payments, dividends, loans from an entity, or any other payments or consideration with value, including payments made to a health sciences compensation plan, during the prior twelve months or anticipated in the next twelve months, of \$5000 or more;
- **Equity** in the form of stock, stock options, warrants, real estate, loans to or from an entity, or any other investment or ownership interest exceeding \$5000;
- **Affiliation** including position of equity in the non-publically traded entity; or ownership or other interest in an entity that is proposed as a subcontractor, consortium member, lessor or otherwise involved in the project;
- **Intellectual property interest** on a patent, patent application, or copyright assigned or licensed to a party other than CSULB;
- **Travel** sponsored or reimbursement from the entity.

Definition-Reimbursed or Sponsored travel (i.e., that which is paid on behalf of the Investigator and not reimbursed to the Investigator so that the exact monetary value may not be readily available), related to their institutional responsibilities; provided, however, that this disclosure requirement does not apply to travel that is reimbursed or sponsored by a federal, state, or local government agency, an Institution of higher education as defined at 20 U.S.C. 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an Institution of higher education. The Institution's FCOI policy will specify the details of this disclosure, which will include, at a minimum, the purpose of the trip, the identity of the sponsor/organizer, the destination, and the duration. In accordance with the Institution's FCOI policy, the institutional official(s) will determine if further information is needed, including a determination or disclosure of monetary value, in order to determine whether the travel constitutes an FCOI with the PHS-funded research.

For further information, visit [NIH FCOI FAQs](#)

Reporting is for the individual, his/her spouse or registered domestic partner, and dependent children. Specifically excluded from the definition of Significant Financial Interests are payments made by CSULB, honoraria, reimbursement of expenses, or any other remuneration from CSULB including salary, stipends and royalty payments.

Under the California Public Records Act, this information may be made available to the public upon request.
