ADDENDA:

Looking ahead, and referencing discussion in our last meeting, note this text from 17-05 Policy on Student Evaluation of Teaching's section 3:

The instrument for student evaluation of teaching shall include

1. a common set of closed-ended items to be used by all faculty members and
2. a common set of open-ended items to be used by all faculty members.

Colleges, departments, or programs may select an **additional common set of items** to evaluate all faculty members in that college, department, or program.

The Faculty Personnel Policy Council (**FPPC**) **shall select the common items** from nationally recognized, valid, and reliable item pools. The **FPPC is responsible for creating instructions for using the instrument**, items, and/or item banks. FPPC should review the instrument and the item pool every five years and report review outcomes to the Academic Senate.
