Need a little more information?

Write a letter to your favorite college, and receive more information (and maybe some free stuff).

Here is a letter that Evelyn wrote to her favorite college, CSU Long Beach. Use this letter as an example to write your own.

Dear CSULB Admissions,

My name is Evelyn, and I am an 8th grader at Long Beach Middle School in Short Shore, CA. I am very interested in learning more about CSULB. I would like to have a career in writing. Can you please send me information on majors that will help me become a writer? I would also like any more information that you have.

My address is:

Evelyn Outreach

123 Gearup St.

Short Shore, CA 98745

Thank you,

Evelyn
