

Marriage and Family Therapy  
AY11-12

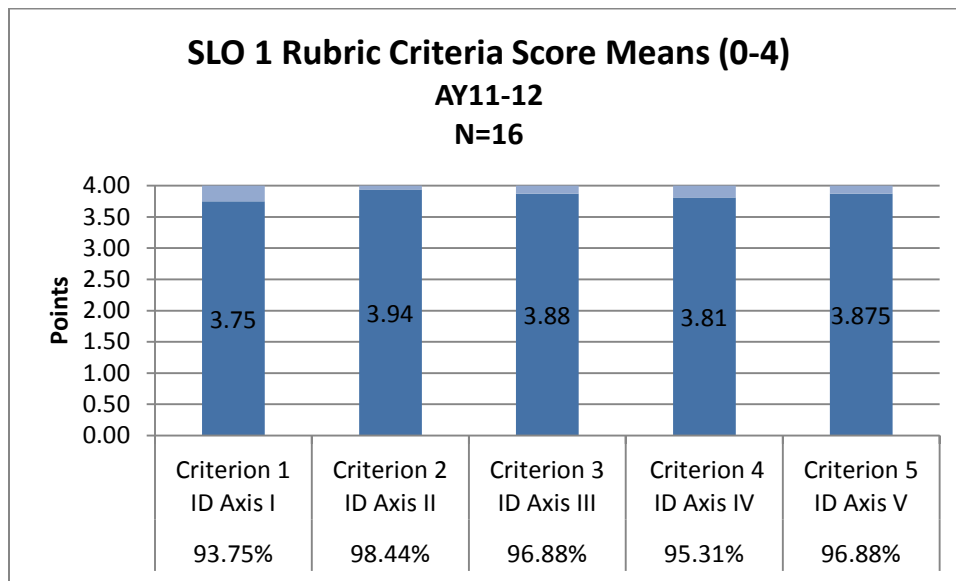

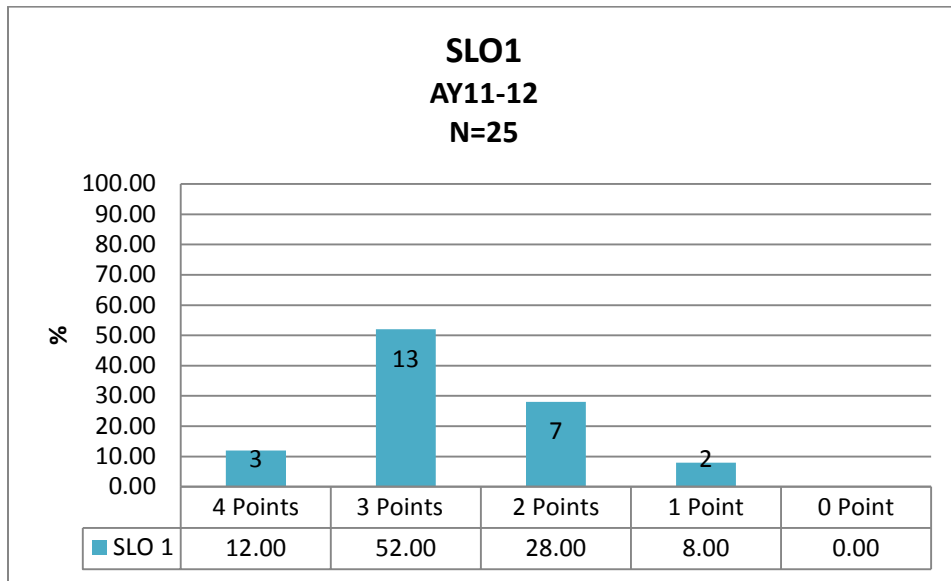

**Outcome 1:** Demonstrate diagnostic skills sufficient for entry level in a clinical or counseling setting

**Outcome 2:** Draw upon family systems theoretical models and demonstrate ability to work in a systematic fashion with families

**Outcome 3:** Use an actual case to develop an appropriate treatment plan that includes attention to: 1) developmental issues; 2) legal and ethical issues; 3) evidence-based approaches for treatment of specific disorders

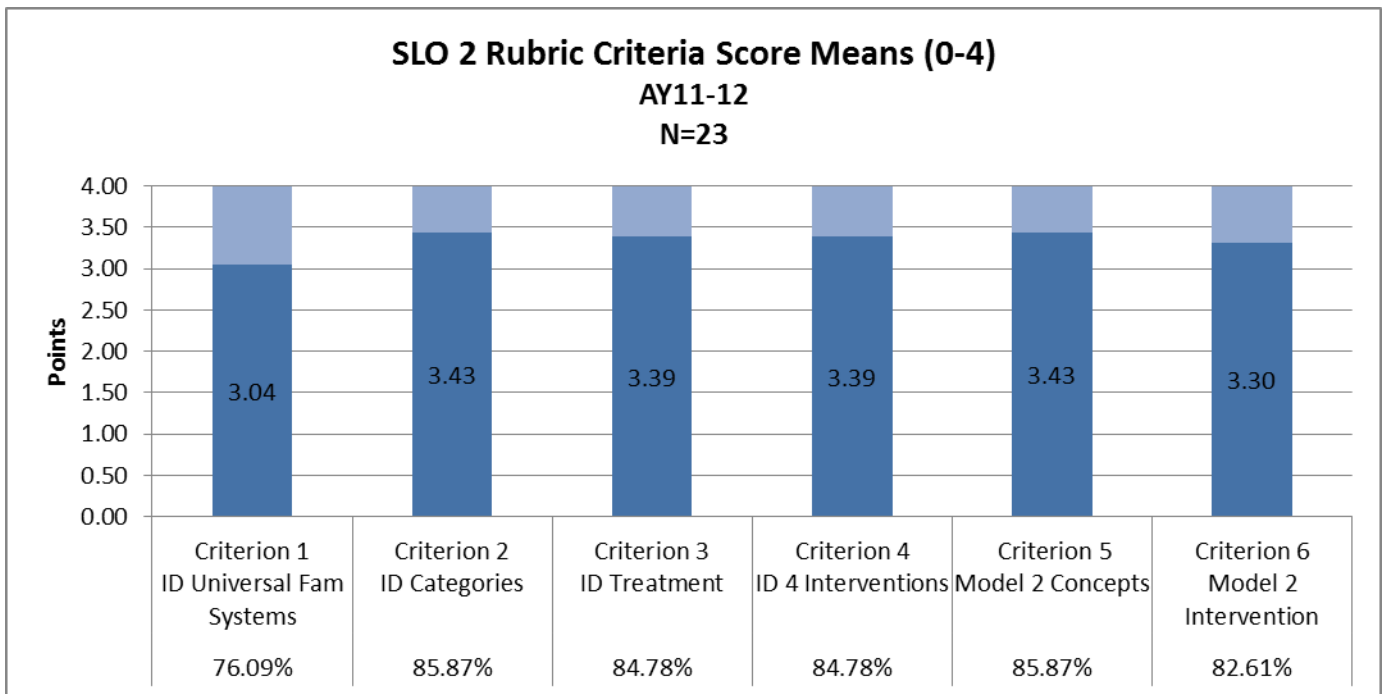

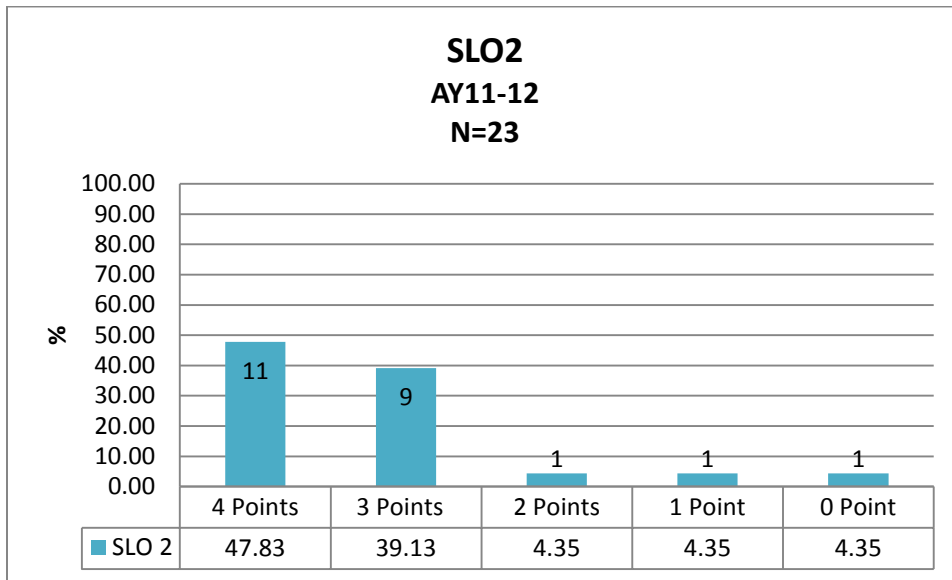

All overall SLO score distribution charts reflect AY11-12 data aggregated across semesters as appropriate.

**Outcome 1: Demonstrate diagnostic skills sufficient for entry level in a clinical or counseling setting**

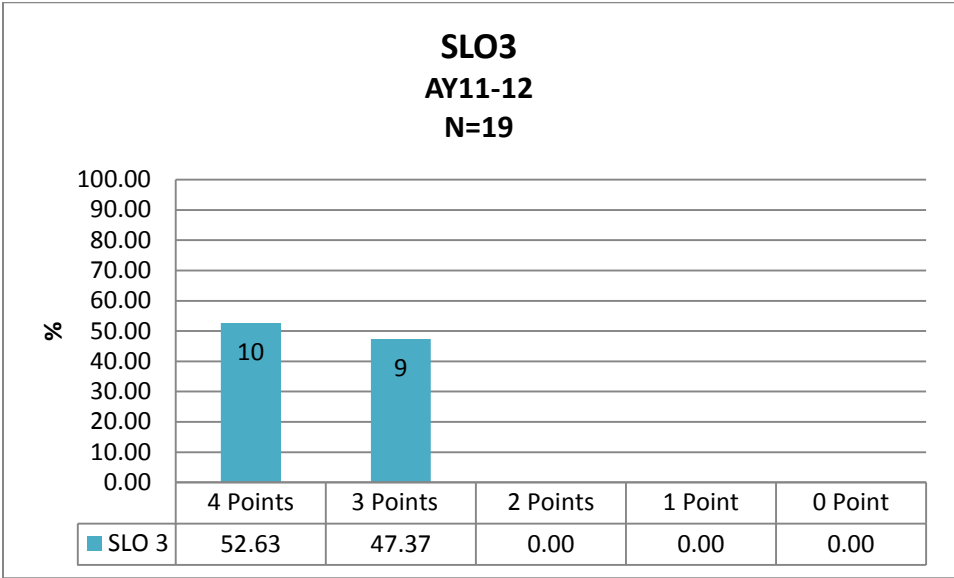

All overall SLO score distribution charts reflect AY11-12 data aggregated across semesters as appropriate.

**Outcome 2:** Draw upon family systems theoretical models and demonstrate ability to work in a systematic fashion with families

All overall SLO score distribution charts reflect AY11-12 data aggregated across semesters as appropriate.

**Outcome 3:** Use an actual case to develop an appropriate treatment plan that includes attention to: 1) developmental issues; 2) legal and ethical issues; 3) evidence-based approaches for treatment of specific disorders

All overall SLO score distribution charts reflect AY11-12 data aggregated across semesters as appropriate.
