

## NOHEMI GONZALEZ Scholarship for International Study Application

Criteria:

Design majors

Planning to enroll in the following year

This scholarship is available to Design students and provides funding to promote the understanding of how design and design thinking can have a positive effect on Global Issues. It can include but is not limited to, study abroad, conferences, competitions, and student research projects. It can support students in department related global initiatives to help with costs for summer classes abroad and any activity that introduces students to other cultures and applies design principles to those enterprises.
