

PART-TIME LECTURER OPENINGS IN CHEMISTRY AND BIOCHEMISTRY

Recruitment #: 21006

Position

Part-time Lecturer - Organic Chemistry (Openings in [Chemistry and Biochemistry](#))

Effective Date

January 20, 2022 (Spring Semester); August 15, 2022 (Fall Semester)

Salary Range

Commensurate with experience and qualifications (up to full-time assignments)

Minimum Qualifications

Ph.D. in Chemistry or Biochemistry with specialization in organic chemistry. Demonstrated potential for effective teaching. Commitment to and/or expertise in educating a diverse student population.

Desired/Preferred Qualifications

Demonstrated expertise in organic chemistry. Evidence of successful teaching in college-level organic chemistry courses. Demonstrated interest in increasing the participation of underrepresented students in STEM fields.

Duties

Teach organic chemistry lectures and laboratories for majors and non-majors. Required mode of instruction may include in-person, hybrid, online, and/or any combination thereof.

CSULB seeks to recruit faculty who enthusiastically support the University's strong commitment to the academic success of all of our students, including students of color, students with disabilities, first generation to college, veterans, students with diverse socio-economic backgrounds, and diverse sexual orientations and gender expressions. CSULB seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the People of California, to maintain the excellence of the University, and to offer our students a rich variety of expertise, perspectives, and ways of knowing and learning.

Required Documentation

Letter of application (including current email address) addressing the minimum and desired/preferred qualifications, curriculum vitae, three current letters of recommendation, and a copy of transcript from institution awarding highest degree. Finalists will be required to submit a signed SC-1 Form and an official transcript.

Application Deadline

Review of applications to begin on November 15, 2021. Position open until filled (or recruitment canceled).

Applications, required documentation, and/or requests for information should be addressed to:

Dr. Lijuan Li, Department Chair
California State University, Long Beach
Department of Chemistry and Biochemistry
1250 Bellflower Blvd, Long Beach, CA 90840
PHONE: (562) 985-4941
EMAIL: Lijuan.Li@csulb.edu

Employment Requirements

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

The person holding this position is considered a “mandated reporter” under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 Revised July 21, 2017 as a condition of employment.

CSULB is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility and respect for the rights and sensibilities of each individual, without regard to race, color, national origin, ancestry, religious creed, sex, gender identity, sexual orientation, marital status, disability, medical condition, age, Vietnam era veteran status, or any other veteran's status. CSULB is an Equal Opportunity Employer.
