Degree Planner

Plan for Timely Degree Completion

Graduating in a timely manner is a top priority at CSULB. Degree Planner is an online tool allowing students to map their entire academic path to graduation. It is currently available for all undergraduate and select post-baccalaureate majors.

Select Degree Planner from your MyCSULB Student Center to see if your major is available.

How to Use Degree Planner

1. Start searching for classes by loading your plan into Class Schedule Planner. Ensure your plan meets all requirements.

2. Select Edit Preferences to choose the terms and unit load to maximize your path to graduation.

3. Select Arrange My Plan and then drag and drop classes to move classes to your preferred term.

4. Your Degree Planner Report will let you review a summary of all requirements completed, in progress, and planned.
5. If you're considering changing your degree objective, use the **What-If Report** to review a customized report.

6. Degree Planner provides a number of helpful features to ensure you remain on track to graduate:

- **Advisor Message** communicates personalized information on a specific requirement.
- **Critical** identifies key courses necessary for timely degree completion.
- **Notes** convey important details about a specific requirement.
- **Info** displays the course description from the current catalog.
- **Remove** discards a requirement that is not needed for degree completion. Removed courses may always be restored to your plan.
- **Lock** sets a course to a specific term.
- **Select Course** allows you to choose a specific course for that requirement.
