## UNDERGRADUATE MAJORS & PROGRAMS 2021-2022

CSULB students choose from a broad array of academic programs. Visit CSULB Academics for a complete listing of degrees. *Note: Degrees and programs are subject to change.*

### UNDERGRADUATE ADMISSION — POLICY CHANGE

Admission to all majors is competitive at CSULB. As a result, all majors will have major-specific admission requirements. Applicants must meet the minimum CSULB criteria; the major selected will affect the way you are considered for admission. Applicants may choose a specific major or apply as undeclared if a freshman applicant. Visit the [Enrollment Services](#) homepage for additional admission information.
