**In addition to this application form, please provide the following:**

1. A submission *from your faculty mentor*, including the following:
  - Description of the plan for collaboration between faculty mentor and student, including the responsibilities of and expectations for the student, and how the student will benefit from the mentoring/collaboration process. \*Please note that the fellowship is not intended to serve as a graduate assistantship to support the research of the faculty mentor; the primary purpose of the fellowship is to support the student's research or creative activity.
  - A description of the importance of the scholarly or creative activity for the discipline or profession, identifying the specific contribution of the student if the student is working collaboratively with the faculty mentor (3 page, double-spaced maximum).
2. A submission *from you*, the student, including the following:
  - Narrative describing the proposed research or creative activity, the anticipated outcomes, and the potential contribution of the work to the body of knowledge and discipline/profession (3 page double-spaced maximum).
  - Description of your educational and career goals.
  - Copy of your unofficial transcripts, including graduate coursework (if any); and the last two years (60 semester/90 quarter units) of undergraduate work.

Requirements for narrative/plan submissions from mentor and student:

1. Font should be no less than 11-point.
2. Margins should be set at no less than one (1) inch on all sides of the paper.
3. Should be written for the general reader, avoiding jargon with which only those in a particular discipline or profession are familiar.

**Note: All materials must be forwarded to the College's Office of the Dean
