

CALIFORNIA STATE UNIVERSITY, LONG BEACH

ANTELOPE VALLEY ENGINEERING PROGRAM
COLLEGE OF ENGINEERING

Advisory Council Members

Advisory Council Mission

- To form a liaison between AVEP Programs and industry and to keep administration and faculty informed of modern engineering practices.
- To assist AVEP Programs and the Electrical Engineering and Mechanical and Aerospace Engineering Departments in keeping its curricula and program up-to-date.
- To assist AVEP Programs in maintaining strategies that reflect regional industry needs and that are designed to provide opportunities for students to learn.
- To advise on internship and placement opportunities for students and graduates as they arise before and after graduation.

2017-2018 Members

1. Mike Wallace, Sr. Systems Engineering Manager - **Raytheon, Space Airborne Systems, Tactical Radar Systems Dept.**
2. Dr. Michael Peters, Test Manager - **Northrop Grumman Corporation, Aerospace Systems**
3. Frank Ramirez, Global Manufacturing Manager - **Northrop Grumman Corporation, Aerospace Systems**
4. David Voracek, Center Chief Technologist - **NASA Armstrong Flight Research Center**
5. Derek Abramson, CSULB Alumni, Test Engineer - **NASA Armstrong Flight Research Center**
6. Dr. Richard Cohn, Chief Engineer, Rocket Propulsion Division - **US Air Force Research Laboratory**
7. Kriss Vander Hyde, Education Outreach Manager, Rocket Propulsion Division - **US Air Force Research Laboratory**
8. Christopher Klug, 412th Operation Group Technical Advisor – **Edwards US Air Force**
9. Danny Bazzel, General Manager, Flight Test Historical Foundation - **Edwards US Air Force**
10. Wilma Laquita D. Dukes, Chief, Special Missions Testing Section - **Edwards US Air Force**
11. Joshua Kendall, Technical Expert, 775 Test Squadron - **Edwards US Air Force**
12. William (Bill) Gaddis, Deputy Director, 412 Test Wing Plans & Programs - **Edwards US Air Force**
13. Larry (Joe) Dale, Chief, Aircraft Modification Flight, 812 Aircraft Instrumentation Test Squadron - **Edwards US Air Force**
14. Lee Foster, Senior Manager - **Hyundai-Kia America Technical Center, Inc.**
15. Chris Bernal, Executive Vice President - **Advanced Clutch Technology**
16. Arthur Thompson, Technical Director - **Sage Cheshire Aerospace**
17. Kimberly Maevers, President - **Greater Antelope Valley Economic Alliance**
18. Dr. Steve Radford, College/Career Preparation and Adult Education - **Greater Antelope Valley Economic Alliance**
19. Justina Mandaro, CSULB Alumni, Systems Engineer - **Aerospace Services and Control (ASC) Process Systems**
20. Luis Miramontes, CSULB Alumni, Numerical Controls Programmer Associate - **Lockheed Martin Aeronautics Company**
21. Daniel Ferguson, Engineering Manager - **BAE Systems**
22. Anna Lee Buehn, Director - **Antelope Valley Board of Trade**
23. Joseph Cabral, Communications Manager – **City of Lancaster**
