For Freshman Students

STEP Into STEM Summer Program

**BENEFITS**

Students will...
- Complete math placement using ALEKS, facilitated by a CSULB math instructor.
- Learn about academic expectations, campus resources, and services at CSULB.
- Engage in academic preparation and professional development opportunities.
- Network and build camaraderie with fellow peers, mentors, faculty, and staff.
- Have the opportunity to participate in the STEM EXCEL Learning Community Fall 2021 & Spring 2022.

**INFORMATION**

Open to incoming freshman students with pre-majors in the Colleges of Natural Science and Mathematics or Engineering.

**Program Dates**
June 21st–July 2nd

Monday–Friday
1:00 p.m. to 4:00 p.m. (hours subject to change)
Program will be conducted online.

**Deadline to Apply:**
May 23rd @ 10PM
