

# Community, Activity and LifeFit Parking Request License Plate Recognition Form (LPR)

In order to obtain parking, please bring a valid driver's license or other identification card and the completed form to the Cashiers Office at Brotman Hall during normal business hours. You will be asked to register your vehicle(s) after the Cashiers set up your permit using the information provided below. Therefore, your license plate number is required to complete this transaction. Please also bring additional vehicle information (make, model and year) as this allows us to complete your vehicle record. You may add up to two vehicles to each permit. Any vehicle parked on campus must be associated with a valid permit.

**PARKING TERMS AND CONDITIONS:** Paid parking is required at all times when parking on campus. Your license plate validates your parking privileges. Inaccurate or missing vehicle information may result in a parking citation. Two vehicles may be entered into the system if you drive more than one vehicle to campus, but, only one vehicle is allowed on campus at a time. If two registered vehicles are on campus at the same time, it will result in a citation. You can update your vehicle information by visiting <http://parking.csulb.edu>.

I, \_\_\_\_\_ understand and agree to the above statements.
