100.13 Alcohol Sale and Service

Purpose and Scope

The 49er Shops and the California State University, Long Beach is committed to providing a safe and enjoyable venue for public, cultural, educational, entertainment, athletic, and social events. This policy furthers this commitment by setting forth guidelines to ensure alcoholic beverages are served or sold only in accordance with all applicable laws, policies, and regulations.

Under the license issued by the Department of Alcoholic Beverage Control (ABC), alcoholic beverages at events/activities held on campus may be sold or served only by the Forty-Niner Shops, Inc., or their Approved Caterers. This policy applies to all related events/activities when alcoholic beverages are sold or served on campus (Approved Locations) as follows:

1. Student Sponsored Events
2. University Sponsored Events – On Campus
3. Third Party Events with Facility Rental
4. University Intercollegiate Athletic Events in University Owned/Operated Facilities

Policy Statement

The Sale and Service of alcoholic beverages must be conducted in accordance with all local and state laws, including the California Alcoholic Beverage Control Act and any regulations under the auspices of the California Department of Alcoholic Beverage Control. The consumption of alcoholic beverages at ABC licensed locations does not require additional approval. Consumption outside of these licensed campus facilities requires approval through the Alcohol Beverage Clearance Form (Exhibit A) approval process.

Alcoholic Beverages Permitted

Beer and wine are the only alcoholic beverages that may be sold, served or otherwise consumed on the University campus during University Sponsored Events and Student Sponsored Events. The service of distilled spirits shall be permitted at Third Party Events.
such as a wedding or conference receptions, and University Sponsored Events such as fundraisers, VIP receptions or other similar type events as permitted under review by the Forty-Niner Shops’ general manager or President or her/his designee.

When alcohol is sold or served at an event/activity on the University campus, it must be consumed within a building or on its terrace in compliance with an ABC license permit. Attendees shall not bring alcohol into the facility and are not permitted to leave the facility with alcohol. Transportation of alcohol in open containers to a campus parking lot or to any other location in or around the campus is prohibited.

If the event involves a non-hosted Cash Bar or Donated Alcohol, a daily license from the ABC is required. This requirement applies regardless of the number of people in attendance.

The only exception to service of beer and wine at athletic events is given by permission under the Chancellor’s Executive Order 1109. This executive order permits that beverages with distilled spirits (hard liquor) may be served complimentary or sold, provided the provision and consumption of such beverages is limited to VIP suites, skyboxes, or similar premium seating areas that are distinctly separate and secure from general admission seating and not predominately used by students or minors. While meeting the requirements of the EO 1109, the service of distilled spirits must also comply with ABC regulations and may not conflict with other licenses that may also be active at any given location.
