### President's Commission on the Status of Women

Hello,

Thank you for your interest in The President's Commission on the Status of Women (PCSW) Research Colloquium which was scheduled for March 18, 2020. Out of an abundance of caution, we have decided to take the precautionary measure of RESCHEDULING this event in light of concerns about the novel coronavirus (COVID-19). Although Cal State Long Beach has no reported cases of coronavirus at this time, we want to ensure that the risk to the Beach community remains small. This difficult decision was made in accordance with recommendations from medical and public-health professionals who are promoting social distancing (which includes reducing the frequency of large gatherings) as one important method to help prevent the spread of COVID-19.

Your health is our top priority, and we appreciate your understanding and patience as we continue to monitor this evolving situation. We look forward to rescheduling this event and will share our new date with you as soon as it becomes available. In the meantime, we encourage you to visit us online (<http://www.csulb.edu/covid-19>) to learn more about the university's response to COVID-19. Thank you for your support of PCSW and The Beach.
