

SCHOOL OF SOCIAL WORK APPROVED STATISTICS COURSES (As Of 4/2019)

Courses are organized by University/College/Institution, alphabetically.

If your course does not appear on this list, please contact the School of Social Work at (562) 985-5654 or chhs-sw@csulb.edu.

A

Abilene Christian University - MATH 123 - Introduction to Probability and Statistics

Abilene Christian University - SOCI 416 - Social Statistics

Adelphi University - MATH 113 - Survey of Statistics

Albright College - MAT 110 - Elementary Statistics

Allan Hancock College - MATH 123 - Elementary Statistics

Alvernia University - MAT 208 - Introductory Statistics

American Public University System - SOCI 332 - Statistics for Social Science

American River College - PSYC 330 - Introduction to Statistics for the Behavioral Sciences

American River College - STAT 300 - Introduction to Probability and Statistics

American River College - STAT 301 - Introduction to Probability and Statistics

American University - STAT 202 - Basic Statistics

Amherst College - PSYC 122 - Statistics and Experimental Design

Andrew College - MAT 201 - Introduction to Statistics

Anne Arundel Community College - MAT 135 - Elementary Statistics

Antelope Valley College - MATH 115 - Statistics

Antioch University - MAT 403 - Descriptive and Inferential Statistics

Appalachian State University - STT 2820 - Reasoning with Statistics

Argosy University - MAT 112 - General Education Statistics

Argosy University - PSY 210 - Psychological Statistics
Arizona State University - COM 408 - Quantitative Research Methods in Communication
Arizona State University - ECN 221 - Business Statistics
Arizona State University - JUS 302 - Statistical Analysis for Justice Studies
Arizona State University - QBA 221 - Statistical Analysis
Arizona State University - SOC 390 - Social Statistics I
Arizona State University - STP 226 - Elements of Statistics
Arizona State University - SWU 321 - Statistics for Social Workers
Ashford University - PSY 325 - Statistics for the Behavioral and Social Sciences
Atlanta Metropolitan State College - Math 1114 - Elementary Statistics
Auburn University - STAT 2010 - Statistics for Social and Behavioral Sciences
Aurora University - SWK 4300 - Social Work Research II
Austin Peay State University - PSY 2010 - Statistics for Behavioral Sciences
Azusa Pacific University - MATH 130 - Introduction to Statistics
Azusa Pacific University - PSYC 299 - Applied Statistics
Azusa Pacific University - Stat 280 - Applied Statistics

B

Bakersfield College - Math B22 - Elementary Probability and Statistics
Bakersfield College - PSYC B5 - Elementary Statistics for the Behavioral and Social Sciences
Bates College - PLTC 218 - Statistics for Political Analysis
Baylor University - SWO 3401 (or SWO 4401) - Statistics for Social Workers
Bellevue College - MATH 130 - Introduction to Statistics
Belmont University - MATH 1150 - Elementary Statistics
Benedictine College - Ma 211 - Applied Statistics
Bennett College - SO 254 (or SW 254) - Social Statistics
Berkeley City College - Math 13 - Introduction to Statistics
Bethany University - PSYC 3333/BUSI 3333 - Statistics

Bethel University - PSY 230M - Introduction to Statistical Methods and Experimental Design

Bethune Cookman University - PS 430 - Statistics in Psychological Research

Biju Patnaik University of Technology - BSCM 2202 - Mathematics - IV

Binghamton University (SUNY) - Psychology 243 - Statistical Analysis and Design

Biola University - BUSN 190 - Business Statistics

Biola University - CPSY 208 - Statistics with Computer Applications

Biola University - MATH 210 - Introduction to Probability and Statistics

Biola University - ORLD 360 - Statistical Methods and Research

Biola University - PSYC 209/211 - Statistics with Computer Applications/Lab

Biola University - PSYC 210 - Statistics with Computer Applications

Biola University - RSPY 502 (or PSYC 420) - Advanced Statistics

Boise State University - PSY 405/405G - Advanced Statistical Methods

Boise State University - Math 123/SOCWRK 380-001 COMBINED - see above

Boise State University - SOC 310 - Elementary Social Statistics

Borough of Manhattan Community College (CUNY) - MAT 150 - Introduction to Statistics

Boston College - SC200 - Statistics

Boston College - EC151 - Statistics for Business and Economics

Boston University - MA 113 - Elementary Statistics

Boston University - CAS MA 115 & CAS MA 116 - Statistics I & Statistics II (both required)

Boston University - CAS-PS-211-A1 - Experimental Design in Psychology

Bradley University - MTH 111 - Elementary Statistics

Brandman University - MATU 203 - Introduction to Statistics

Brentwood Center of Los Medanos College - MATH 34 - Statistics and Probability

Bridgewater State University (College) - PSYC 201 - Statistics for Psychology

Bridgewater State University (College) - SCWK 375 - Data Analysis for Social Work

Brigham Young University - PSYCH 301 - Psychological Statistics

Brigham Young University - PSYCH 308 - Psychological Statistics

Brigham Young University - SOC W 402 - Applied Social Work Statistics
Brigham Young University - STAT 121 - Principles of Statistics
Brigham Young University - STAT 221 - Principles of Statistics
Brigham Young University - Hawaii - MATH 221 - Principles of Statistics I
Brigham Young University - Hawaii - SOCW 486 - Social Research Methods and Applied Statistics
Brigham Young University - Idaho - MATH 221C (or FDMAT 223) - Social Science Statistics
Brigham Young University - Idaho - FDMAT 222 - Biostatistics
Brooklyn College - Psyc 3400 - Psychology Stats
Bucknell University - Math 216 - Statistics I
Brown University - CLPS 0900 - Quantitative Methods in Psychology
Buffalo State (SUNY College at Buffalo) - PSY 306 - Statistics in Psychological Research
Buffalo State (SUNY College at Buffalo) - SOC 301 - Social Statistics
Butte College - MATH 18 - Introduction to Statistics

C

Cabrillo College - MATH 12 - Elementary Statistics
Cal Poly Pomona - BHS 307 - Statistics for the Behavioral Sciences
Cal Poly Pomona - PSY 307/307A - Statistics for the Behavioral Sciences
Cal Poly Pomona - SOC 307/307A - Statistics for the Behavioral Sciences
Cal Poly Pomona - STA 120 - Statistics with Applications
Cal Poly San Luis Obispo - SOC 355 - Social Data Collection and Analysis (or Quantitative Research Methods)
Cal Poly San Luis Obispo - STAT 217 - Introduction to Statistical Concepts and Methods
Cal Poly San Luis Obispo - STAT 218 - Applied Statistics for the Life Sciences
Cal Poly San Luis Obispo - STAT 221 - Introduction to Probability and Statistics
Cal Poly San Luis Obispo - STAT 251 & STAT 252 (both required) - Statistical Inference for Management I & II (both required)
Cal Poly San Luis Obispo - Stat 312 - Statistical Methods for Engineers

California Baptist University - BEH 383 - Statistical Techniques in Behavioral Science with SPSS

California Baptist University - BEH 385 - Methods of Research

California Baptist University - BEH 383 A - Statistics and Research Methodology

California Lutheran University - Criminal Justice 311 - Statistics

California Lutheran University - ECON 311 - Statistical Methods

California Lutheran University - PSYC 312 & PSYC 313 (both required) - Research Design & Statistics I and II (both required)

California Lutheran University - SOC 430 - Quantitative Research Methods

California Lutheran University - PSY 311 / 311L (LAB) - Statistics

California Southern University - PSY 2504 - Fundamentals of Research Methodology

Calvin College - SOC 255 (or SOWK 255) - Social Science Statistics

Cañada College - MATH 200 - Probability and Statistics

Capella University - PSY 7626 - Multivariate Statistics: Theory and Application

Carleton College - ECON 329 (or ECON 332) - Econometrics

Carthage College - MTH 1050 - Elementary Statistics

Catholic University of America - EDUC 633 - Introductory Statistics for the Behavioral Sciences

Catholic University of America - MATH 114 - Probability and Statistics

Cayuga Community College - Math 214 - Statistics

Central Connecticut State University - Stat 215-05 - Statistics for Behavioral Sciences I

Central Michigan University - PSY 211 - introductory Psychological Statistics

Cerritos College - MATH 112 - Elementary Statistics

Cerritos College - PSYC 210 - Elementary Statistics

Cerro Coso Community College - MATH C121 - Elementary Probability and Statistics

Chabot College - MTH 43 - Introduction to Probability and Statistics

Chaffey College - SCSCI 10 - Statistics for Social Science

Chaffey College - STAT 10 - Elementary Statistics

Chaminade University - CJ 315 (or PSYC 315) - Behavioral Sciences Statistics

Champlain College - MTH 180 - Introduction to Statistics

Chandler Gilbert Community College - PSY 230 - Introduction to Statistics

Chapman University - MATH 203 - Introduction to Statistics

Chapman University - MGSC 209 - Introductory Business Statistics

Chapman University - PSY 203 - Statistics for the Behavioral Sciences

Chesapeake College - MAT 204 - Introduction to Statistics

Chestnut Hill College - MATH 262 - Probability and Statistics

Citrus College - MATH 165 - Introductory Statistics

Citrus College - PSY 103 - Statistics for the Social and Behavioral Sciences

City College of San Francisco - MATH 80 - Probability and Statistics

City College of San Francisco - PSYC 5 - Statistics for Behavioral Sciences

City University of Seattle - MTH 110 - Intro to Stats

Claremont McKenna College - ECON 120 CM - Statistics

Claremont McKenna College - PSYC 109 CM - Introduction to Statistics for Psychologists

Clark Atlanta University - CUSW 301 & CUSW 302 (both required) - Statistics and Methods of Social Research I and II (both required)

Cloud County Community College - MA114 - Elementary Statistics

Clovis Community College - Stat 7 - Elementary Statistics

Coastline College - MATH C160 (or MATH 160) - Introduction to Statistics

College of Alameda - MATH 13 - Introduction to Statistics

College of Central Florida - STA 2023 - Elementary Statistics

College of Marin - Math 115 - Probability and Statistics

College of Marin - SOC 205 - Introduction to Research Methods and Data Analysis in Sociology

College of Marin - STAT 115 - Introduction to Statistics

College of San Mateo - Math 200 - Elementary Probability and statistics

College of Southern Nevada - ECON 261 - Principles of Statistics I

College of Southern Nevada - PSY 210 (or SOC 210) - Introduction to Statistical Methods

College of the Canyons - Math 140 - Introductory Statistics

College of the Canyons - SOCI 135 - Statistics for the Social & Behavioral Sciences

College of the Canyons - SOCI 137 - Statistics for the Social Sciences

College of the Desert - SOC 003 - Fundamentals of Statistics

College of the Holy Cross - PSYCH 200 - Statistics

College of the Ozarks - MAT 343 - Probability and Statistics

College of the Desert - MATH 014 - Statistical Methods

College of the Redwoods - MATH 15 - Elementary Statistics

College of the Sequoias - MATH 21 - Introduction to Statistics

College of the Siskiyous - MATH 1050 (or MATH 2) - Elementary Statistics

Colorado Christian University - MAT 212 - Probability and Statistics for Business and Social Sciences

Colorado Christian University - MAT-250A - Introduction to Research and Applied Statistics

Colorado Mesa University (formerly Mesa State College) - STAT 200 - Probability & Statistics

Colorado State University - SOC 210-001 - Quantitative Sociological Analysis

Colorado State University - STAT 201 - General Statistics

Colorado State University - STAT 301 - Introduction to Statistical Methods

Columbia College (Columbia, Missouri) - BIOL 324 (or PSYC 324 or SOCI 324) - Statistics for the Behavioral and Natural Sciences

Columbia-Greene Community College - MA 102-04 - Statistics

Columbia Southern University - MA 2023 - Elementary Statistics

Columbia State Community College - MATH 1530 - Elementary Statistics

Community College of Baltimore County - Math 131 - Introduction to Statistical Methods

Community College of Philadelphia - PSYC 167 - Foundations of Statistical Methods for Social and Behavioral Sciences

Community College of Vermont - MAT 2021 - Statistics I

Concordia University - BSC 265 - Statistics for the Behavioral Sciences

Concordia University - MTH 265 - Introduction to Statistics

Contra Costa College - MATH 164 - Introduction to Probability and Statistics

Copper Mountain College - MATH 014 - Statistical Methods

Cornell University - HADM2010 - Hospitality Quantitative Analysis

Consumnes River College - PSYC 330 - Introductory Stats for the Behavioral Sciences

Cosumnes River College - STAT 300 - Introduction to Probability & Statistics

Covenant College - STA 251 - Elementary Statistical Methods

Crafton Hills College - MATH 108 - Statistics

CSU, Bakersfield - MATH 140 - Elementary Statistics

CSU, Channel Islands - MATH 202 - Biostatistics

CSU, Channel Islands - MATH 329 - Statistics for Business and Economics

CSU, Channel Islands - PSY 202 - Biostatistics

CSU, Channel Islands - PSY 300 & PSY 301 (both required) - Psychological Research and Statistical Methods I & II (both required)

CSU, Channel Islands - PSY 303 - Statistical Applications in the Social Sciences

CSU, Channel Islands - SOC 303 - Statistical Applications in the Social Sciences

CSU, Chico - ECON 180 (or ECON 380) - Economic Statistics

CSU, Chico - MATH 105 - Statistics

CSU, Chico - MATH 105H - Honors Statistics

CSU, Chico - MATH 315 (or MATH 215) - Applied Statistical Methods I

CSU, Chico - PSYC 364 (or PSYC 107) - Statistical Methods in Psychology

CSU, Chico - SOCI 315 - Statistical Analysis for Social Science

CSU, Dominguez Hills - CDV 420 - Methods and Analysis in Child Safety

CSU, Dominguez Hills - CJA 341 - Statistics in Criminal Justice Administration

CSU, Dominguez Hills - GED 500 - Research Methods in Education

CSU, Dominguez Hills - KIN 300 - Tests and Measurements in Kinesiology

CSU, Dominguez Hills - MAT 131 - Elementary Statistics and Probability

CSU, Dominguez Hills - MAT 195 - Selected Topics in Mathematics

CSU, Dominguez Hills - MAT 321 - Probability and Statistics

CSU, Dominguez Hills - PSY 230 - Elementary Statistical Analysis in Psychology

CSU, Dominguez Hills - PSY 330 - Behavioral Statistics and Research Design

CSU, Dominguez Hills - PUB 305 - Applied Statistics in Public Administration

CSU, Dominguez Hills - SOC 220 - Analytical Statistics for Sociology

CSU, East Bay - STAT 1000 - Elements of Probability and Statistics

CSU, East Bay - STAT 3010 - Statistical Methods in the Social Sciences

CSU, Fresno - CRIM 50 - Statistical and Computer Applications in Criminal Justice

CSU, Fresno - DS 123 - Statistical Analysis II

CSU, Fresno - HS 92 (or PH 92) - Public Health Stats

CSU, Fresno - MATH 11 - Elementary Statistics

CSU, Fresno - PSYCH 42 - Introductory Statistics

CSU, Fresno - SOC 125 - Statistics for the Social Sciences

CSU, Fullerton - CAS 301 - Inquiry and Methodology in Development

CSU, Fullerton - COMM 410 - Principles of Communication Research (or Mass Communications Research)

CSU, Fullerton - CRJU 340 - Criminal Justice Research Methodology

CSU, Fullerton - HCOM 308 - Quantitative Research Methods

CSU, Fullerton - HESC 349 - Measurement and Statistics in Health Science

CSU, Fullerton - HUSR 315 - Research and Data Management in Human Services

CSU, Fullerton - ISDS 361A - Quantitative Business Analysis: Probability and Statistics

CSU, Fullerton - ISDS 361B - Quantitative Business Analysis: Statistics and Decision Sciences

CSU, Fullerton - MATH 120 - Introduction to Probability and Statistics

CSU, Fullerton - MATH 337 - Introduction to Experimental Design and Statistics in the Laboratory Sciences

CSU, Fullerton - POSC 407 - Polls, Statistics and Political Interpretation

CSU, Fullerton - PSYC 201 - Elementary Statistics

CSU, Fullerton - PSYC 465 - Advanced Psychological Statistics

CSU, Fullerton - SOCI 303 - Statistics for the Social Sciences

CSU, Humboldt - STAT 108 - Elementary Statistics

CSU, Long Beach - CLA 150 - Elementary Statistics

CSU, Long Beach - COMM 307 (formerly SPCH 230) - Measurement in Communication Research

CSU, Long Beach - CRIM 303 - Statistics for Criminal Justice Administrators

CSU, Long Beach - CRJU 325 - Statistics for Criminal Justice

CSU, Long Beach - CRJU 525 - Advanced Statistics for Criminal Justice

CSU, Long Beach - EDP 400 - Introduction to Educational Measurement and Statistics

CSU, Long Beach - EDP 419 - Educational Statistics

CSU, Long Beach - EDP 520 - Research Methods in Education

CSU, Long Beach - HDEV 190 - Elementary Statistics in Social and Behavioral Sciences

CSU, Long Beach - HDEV/CLA 250 - Elementary Statistics in Social and Behavioral Sciences

CSU, Long Beach - HSC 403 - Community Health Statistics

CSU, Long Beach - IS 310 - Business Statistics I

CSU, Long Beach - MATH 108 - Statistics for Everyday Life

CSU, Long Beach - MATH 180 - Statistics for Everyday Life

CSU, Long Beach - PROF 421 - Research Design

CSU, Long Beach - PSY 110 - Introductory Statistics

CSU, Long Beach - PSY 210 - Introductory Statistics

CSU, Long Beach - PSY 310 - Intermediate Statistics

CSU, Long Beach - SOC 170 - Elementary Statistics

CSU, Long Beach - SOC 250 - Elementary Statistics

CSU, Long Beach - STAT 108 - Statistics for Everyday Life

CSU, Long Beach - STAT 118 - Introductory Business Statistics

CSU, Los Angeles - BIOL 300 - Biometrics

CSU, Los Angeles - Comm 487 - Quantitative Methods in Communication

CSU, Los Angeles - CRIM 483 or CRIM 4830 - Statistics in Criminal Justice (or Computer Techniques in Criminal Justice)

CSU, Los Angeles - ECON 109 - Quantitative Reasoning with Statistics

CSU, Los Angeles - ECON 209 - Applied Business and Economic Statistics I

CSU, Los Angeles - EDFN 2520-01&02 - Introduction to Statistics and Data Interpretation for Real-Life Problem Solving

CSU, Los Angeles - EDFN 452 - Statistics in Education

CSU, Los Angeles - HHS 400 - Statistics in Health and Human Services

CSU, Los Angeles - MATH 109 - Quantitative Reasoning with Statistics

CSU, Los Angeles - PSY 202 - Descriptive Statistics in Psychology

CSU, Los Angeles - PSY 302 - Inferential Statistics in Psychology

CSU, Los Angeles - SOC 210 - Elementary Statistics

CSU, Los Angeles - SOC 210A - Elementary Statistics

CSU, Los Angeles - SOC 210B - Elementary Statistics

CSU, Los Angeles - SOC 310 - Intermediate Statistics

CSU, Monterey Bay - STAT 100 - Introduction to Statistics

CSU, Monterey Bay - STAT 200 - Introduction to Statistics

CSU, Northridge - HSCI 390/L - Biostatistics and Lab

CSU, Northridge - HSCI 592 - Advanced Biostatistics for Health Sciences

CSU, Northridge - Math 310 - Basic Concepts of Geometry, Probability and Statistics

CSU, Northridge - MATH 140 - Introductory Statistics

CSU, Northridge - PSY 320/L - Statistical Methods in Psychological Research and Lab

CSU, Northridge - SOC 364/L - Social Statistics and Lab

CSU, Northridge - SOC 497 - Sociological Research Methods

CSU, Northridge - SOM 120 (Formerly MSCI 301) - Basic Business Statistics

CSU, Sacramento - COMS 100C - Introduction to Scientific Methods in Communication Research

CSU, Sacramento - CRJU 101 - Introduction to Criminal Justice Research Methods

CSU, Sacramento - PSYC 101 - Foundations of Psychological Research: I

CSU, Sacramento - SOC 101 - Introduction to Statistics for Sociologists

CSU, Sacramento - STAT 1 - Introduction to Statistics

CSU, Sacramento - SWRK 110 - Statistics and Research for Social Workers

CSU, San Bernardino - CJUS 312 - Statistics in Criminal Justice

CSU, San Bernardino - PSYC 210 - Psychological Statistics

CSU, San Bernardino - SCM 210 (ADMN 210) - Applied Business Statistics

CSU, San Bernardino - SOC 307 - Social Research I

CSU, San Bernardino - SOC 309 - Social Research II

CSU, San Marcos - HD 220 - Statistics in Human Development

CSU, San Marcos - PSYC 220 - Introductory Statistics in Psychology

CSU, San Marcos - SOC 201 - Introductory Statistics for the Social Sciences

CSU, Stanislaus - MATH 1600 - Statistics

CSU, Stanislaus - Psych 2020 - Intro to Psychological Methods

CSU, Stanislaus - SOCL 4030 - Research Analysis

Cuesta College - MATH 236 (or MATH 36) - Introduction to Applied Statistics

Cuyamaca College - PSY 215 - Statistics for the Behavioral Sciences

Cypress College - MATH 120C - Introduction to Probability and Statistics

Cypress College - PSY 161C (or SOC 161C) - Probability and Statistics: Social Sciences

Cypress College - PSY 161HC (or SOC 161HC) - Honors Probability and Statistics: Social Sciences

D

De Anza College - MATH 10 - Elementary Statistics and Probability

De La Salle University - STAT101 - Elementary Statistics 1

Defiance College - SWK 230A (PSY 230A) - Behavioral Statistics

Delaware State University - PSYC 322 - Elementary Statistics
Depaul University - SOC 279 - Intro Stats for the Social Sciences
Devry University - MATH 191 - Probability and Statistics
Diablo Valley College - MATH-142 - Elementary Statistics with Probability
Dickinson College - Psyc 202 - Analysis of Psychological Data
Dillard University - STA 205 - Foundation of Statistics
Dixie State Unviersity - MATH 1040 - Introduction to Statistics
Dominican University of California - PSY 3187 - Statistics for Health/Behavior Sciences
Dordt University - STAT 131 - Elemtary Statistics
Douglas College - PSYC 2300 - Data Analysis in Psychology
Drexel University - STAT 201 - Introduction to Business Statistics
Drexel University - PSY 364 - Computer Assisted Data Analysis

E

East Los Angeles College - MATH 227 - Statistics
East Los Angeles College - PSYCH 91 - Statistics for Psychology
Eastern Illinois University - BUS 2810 - Business Statistics
Eastern Michigan University - PSY 205 - Quantitative Methods in Psychology
Eastern Washington University - CSBS 320 - Introductory Statistics
EDX.org - NONE - Statistical Thinking for Data Science and Analytcs
El Camino College/El Camino College Compton Center - MATH 150 - Elementary Statistics with Probability
El Camino College/El Camino College Compton Center - PSYC 9A - Introduction to Elementary Statistical Methods for the Study of Behavior
El Camino College/El Camino College Compton Center - SOCI 109 - Introduction to Elementary Statistical Methods for the Study of Behavior
Emory University - BIOS 500 - Statistical Methods I
Emory University - EDS 453 - Introduction to Statistics
Emporia State University - PY 520 - Statistics I

Endicott College - PSY 241 (or PSY 301) - Statistical Methods in the Social Sciences

Everett Community College - MATH 146 - Introduction to Statistics

Evergreen Valley College - MATH 063 - Elementary Statistics

F

Fairleigh Dickinson University - PSYC 2210 - Psychological Statistics

Farmingdale State College (State University of New York) - MTH 110 - Statistics

Fayetteville Technical Community College - MAT 151 - Statistics I

Florida Atlantic University - STA 2023 - Introductory Statistics

Florida International University - STA 2023 - Statistics for Business and Economics

Florida International University - STA 2122 & STA 3123 (both required) - Introduction to Statistics I & II (both required)

Florida Southern College - MAT 157 (or MAT 2022) - Elementary Statistics

Folsom Lake College - STAT 300 - Introduction to Probability and Statistics

Foothill College - MATH 10 - Elementary Statistics

Franciscan University of Steubenville - PSY 204 - Psychological Statistics

Fresno City College - MATH 11 - Elementary Statistics

Fresno City College - MATH 42 - Statistics for the Behavioral Sciences

Fresno Pacific University - PSY 300 (or SOC 462) - Statistics

Fu Jen Catholic University - NONE - Communication Statistics

Fullerton College - MATH 120F - Introductory Probability and Statistics

Fullerton College - MATH 120HF - Honors Introductory Probability and Statistics

Fullerton College - PSY 161F - Elementary Statistics for Behavioral Science

Fullerton College - SOSC 120F - Introduction to Probability and Statistics

G

George Mason University - STAT 250 - Introductory Statistics I

George Washington University - STAT 1051 - Introduction to Business and Economic Statistics

George Washington University - STAT 2112 - Business and Economic Statistics II

George Williams University - MATH 122 - Quantitative Business Analysis II

Georgetown University - PSYC 002 - Research Methods and Statistics

Georgia College & State University - MATH 2600 - Probability and Statistics

Georgia State University - MATH 1070 - Elementary Statistics

Glendale College - MATH 136 - Statistics

Golden West College - MATH G160 - Introduction to Statistics

Golden West College - MATH G160H - Introduction to Statistics Honors

Golden West College - MATH G103 - Statistics for Elementary Teachers

Gonzaga University - MATH 121 - Introductory Statistics

Gordon College - PSY 256 & PSY 257 (both required) - Research Methods I & II (both required)

Grambling State University - SWK 560 - Statistics

Grand Canyon University - PSY-380 - Introduction to Probability and Statistics

Grand Valley State University - STA 215 - Introductory Applied Statistics

Great Bay Community College - Math225G - Probability and Statistics

Green River College - Math 256 - Statistics for Business and Social Science

Grinnell College - ECN 262 - Empirical Methods in Economics

Grossmont College - ANTH 215 - Statistics for the Behavioral Sciences

Grossmont College - MATH 160 - Elementary Statistics

Grossmont College - PSY 215 - Statistics for the Behavioral Sciences

Grossmont College - SOC 215 - Statistics for the Behavioral Sciences

Goucher College - PSY 200 - Statistical Methods in Psychology

H

Hampton University - MATH 205 - Introduction to Statistics

Hampton University - PSY 346 & 347 (both required) - Statistics I & II (both required)

Hampton University - SOC 346 - Statistics

Handong University - South Korea - CSW 30025 - Psychological Statistics

Harold Washington College (City College of Chicago) - MATH 125-1 - Introductory Statistics

Harrisburg Area Community College - MATH 202 - Introduction to Statistics

Hartnell College - MAT13 - Elementary Statistics

Harvard University - Stats E-100 - Introduction to Quantitative Methods for the Social Science and Humanities

Harvard University - Statistics 101 - Introduction to Quantitative Methods for Psychology and the Behavioral Sciences

Hawaii Pacific University - MATH 1123 - Statistics

Highline Community College - MATH& 146 (or MATH 210) - Introduction to Statistics

High Point University - PSY 2100 - Statistics for Psychology

Hobart and William Smith Colleges - Econ 202 - Statistics

Hofstra University - PSY 140 - Measurement and Statistics

Holy Cross College/Saint Mary's College - Math 114/Mathematics 205 - Introduction to Statistical Theory

Holy Names University - PSYC 63 - Statistical Methods

Hope International University - PSY2320 - Introductory Statistics for the Social Sciences

Hope International University - HDV4120 (ONLINE) - Statistics for Social Sciences

Hope International University - SSC4120 - Statistics for Social Sciences

Houston Community College - MATH 1342 - Statistics

Howard Community College - MATH 138 - Statistics

Howard University - PSYC 063 - Research Methods & Statistics I

Humboldt State University - KINS 483 - Evaluation Techniques in Kinesiology

Humboldt State University - PSYC 341 - Intermediate Psychological Statistics

Humboldt State University - STAT 106 - Introduction to Statistics for the Health Sciences

Humboldt State University - STAT 108 - Elementary Statistics

Hunter College - ECON 221 - Economic Statistics

Hunter College - PSYCH 24800 (or PSYCH 248) - Statistical Methods in Psychological Research

Hunter College - STAT 11300 (or STAT 113) - Elementary Probability and Statistics

I

Illinois College - SO 210 - Social Statistics

Illinois State University - POL 138 - Quantitative Reasoning in Political Science

Illinois Wesleyan University - PSY 227 - Statistics

Imperial Valley College - MATH 119 - Elementary Statistics

Imperial Valley College - MATH 120 - Introductory Statistics with Applications

Indiana University-Bloomington - SOC-S 371 - Statistics for Sociology

Indiana University-South Bend - PSY -P 354 - Statistical Analysis in Psychology

Indiana State University - MATH 241 - Principles of Statistics

Iowa State University - STAT 101 - Principles of Statistics

Irvine Valley College - MATH 10 - Introduction to Statistics

Irvine Valley College - PSYC 10 - Statistical Methods in the Behavioral Sciences

Ithaca College - PSYC 20700 - Statistics in Psychology

J

Jackson State University - SOC 451 - Social Statistics

Jamestown Community College - MAT 1540 - Elementary Statistics

John Brown University - PSY 2383 - Section A - Introductory Statistics

John Hopkins University - 550.112 - Statistical Analysis II

Johnson & Wales University - MATH 2001 - Statistics

K

Kalamazoo College - PSYC 390 - Experimental Methods w/Lab

Kansas State University - STAT 325 - Introduction to Statistics

Kennesaw State University - State 3125 - Biostatistics

Kenyon College - PSYC 200 - Statistical Analysis in Psychology

Kirkwood Community College - MAT 157 - Statistics

Knox College - STAT 200 - Introductory Statistics

L

La Sierra University - BUAD 341 - Managerial Statistics

La Sierra University - CJUS 381 - Research Methods and Statistics: Description and Correlation

La Sierra University - EDRS 604 - Educational Statistics I

La Sierra University - MATH 155 - Introductory Statistics

La Sierra University - MATH 251 - Introduction to Statistics I

La Sierra University - MATH 252 - Introduction to Statistics II

Lake Tahoe Community College - MAT 201 - Elementary Statistics

Lane Community College - MATH 103 - Introduction to Probability and Statistics

Laney College - MATH 13 - Introduction to Statistics

Las Positas College - MATH 42A - Intro to Probability and Statistics

Las Positas College - MATH 40 - Statistics and Probability

Las Positas College - MATH 44 - Statistics and Probability

Lawrence University - Math 207 - Intro to Probability and Statistics

Lassen Community College - MATH 40 - Elementary Statistics

Lesley University - CMATH 2142 - Introduction to Statistics

Lewis and Clark College - MATH 105 - Perspectives in Statistics

Lewis and Clark College - PSY 200 - Statistics I

Lewis and Clark State College - PSYC/CC/ECON 300.01 - Statistical Methods

Lincoln College - MAT 110 - Elementary Statistics

Lindenwood University - MTH 14100 (or MTH 141) - Basic Statistics

Long Beach City College - Math 37 - Finite Mathematics

Long Beach City College - STAT 1 - Elementary Statistics

Long Beach City College - STAT 1H - Honors Elementary Statistics

Long Island University - Mathematics 100 - Statistics

Los Angeles City College - MATH 225 & MATH 226 (both required) - Introductory Statistics I and Elementary Statistics Problem Solving (both required)

Los Angeles City College - MATH 227 - Statistics

Los Angeles Harbor College - MATH 227 - Statistics

Los Angeles Harbor College - STAT 1 - Elementary Statistics I for the Social Sciences

Los Angeles Mission College - MATH 227 - Statistics

Los Angeles Pierce College - MATH 227 - Statistics

Los Angeles Pierce College - STAT 1 - Elementary Statistics I for the Social Sciences

Los Angeles Southwest College - MATH 225 - Introductory Statistics

Los Angeles Southwest College - MATH 227 - Statistics

Los Angeles Trade Tech - MATH 225 - Introductory Statistics

Los Angeles Trade Tech - MATH 227 - Statistics

Los Angeles Valley College - MATH 225 - Introductory Statistics

Los Angeles Valley College - MATH 227 - Statistics

Los Angeles Valley College - STAT 1 - Elementary Statistics for the Social Sciences

Los Angeles Valley College - STATISTICS 101 - Statistics for the Social Sciences

Louisiana State University, Baton Rouge - EXST 2201 - Introduction to Statistical Analysis
