COLLEGE OF
BUSINESS

COMMENCEMENT
2021
Welcome to CALIFORNIA STATE UNIVERSITY LONG BEACH

California State University, Long Beach is a member of the 23-campus California State University (CSU) system. The initial college, known then as Los Angeles-Orange County State College, was established on January 29, 1949, and has since grown to become one of the state’s largest universities.

The first classes in 1949 were held in a converted apartment building on Anaheim Street and the cost to enroll was just $12.50. The 169 transfer students selected from the 25 courses offered in Teacher Education, Business Education, and Liberal Arts which were taught by 13 faculty members.

Enrollment increased in 1953 when freshman and sophomore students were admitted.

Expansion, in acreage, degrees, courses and enrollment continued in the 1960s, when the educational mission was modified to provide instruction for undergraduate and graduate students through the addition of master’s degrees.

In 1972, the California Legislature changed the name to California State University, Long Beach. Today, more than 37,000 students are enrolled at Cal State Long Beach, and the campus annually receives high rankings in several national surveys.

What students find when they come here is an academic excellence achieved through a distinguished faculty, hard-working staff and an effective and visionary administration. The faculty’s primary responsibility is to create, through effective teaching, research and creative activities, a learning environment where students grow and develop to their fullest potential.

This year, because of the pandemic, we will celebrate the outstanding graduates of two classes – 2020 and 2021. They are earning doctoral, master’s and bachelor’s degrees as well as credentials and certificates. We are proud of our graduating students, who now go forward to serve society.

Photo above: Carlson Bloc Bell Tower. In 1965, the International Sculpture Symposium contributed nine monumental pieces and designs to CSULB. These works received credits in 21 national and international publications, and, in 1972, additional community funds in the form of a trust provided for the completion of the Carlson Memorial Tower, designed by French sculptor Andre Bloc.
A Message from the President...

Dear Graduate,

Congratulations! Your graduation from college may be one of your, up to now, biggest milestones. And, for the Class of 2021, this remarkable accomplishment comes at a truly extraordinary moment in time.

On behalf of Cal State Long Beach, I want to thank you for your determination, persistence, and resolve over the past year. You have done something no college students in living memory have ever been asked to do. You stayed the course — you kept learning, studying, creating, exploring, innovating and serving — during a once-in-a-century global pandemic.

I also extend my thanks and congratulations to your families and friends — to all of those who have supported, encouraged and loved you as you pursued your academic dreams and adapted to a much-changed instructional environment.

Now, it is time to celebrate your college achievements and plan your next steps as you pursue your aspirations for the triumphs yet to come. Your Beach family celebrates with you. Your success, although very much dependent on your personal commitment, means a great deal to others, as well. As Dr. Loren J. Blanchard, formerly executive vice chancellor for Academic and Student Affairs for the CSU and now president of University of Houston Downtown, has said, “A degree in the hands of a student has transformative power for the individual, their family, their community and the nation.”

In the coming months, you may find yourself negotiating a very different world from the one you have known all your lives — the one you had imagined would greet you upon your college graduation. But, just as all your hard work, sacrifices, experiences and achievements have brought you to this point — to this milestone moment — they have also helped prepare you for the challenges and opportunities that lie ahead. Every graduating class in history faced some unknowns. You’re ready for them.

Graduate, I wish you good health, every happiness and great success in all your future endeavors. Stay in touch. Stay connected. And, remember, “The Beach is for Life”!

Sincerely,

Jane Close Conoley, Ph.D.
President

A Message from the Chancellor...

Dear Class of 2021,

In this most extraordinary year, I offer my deep admiration, gratitude and sincere congratulations to a most extraordinary class of graduates.

As numerous forces upended our world, you held your dreams steadily in sight and persisted in your studies through challenges none of us could have imagined. Unlike any other CSU graduating class past or future, you have by necessity developed and demonstrated skills — far beyond your academic work — that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. While so much and so many have been lost, your resolve has shone as a symbol of hope and optimism — and you should be proud.

On behalf of the entire California State University community, I am certainly proud to present you to the world as our newest class of CSU alumni, joining an impressive international network now nearly 4 million strong. Together, you will power the recovery of our state and nation, educate our next generation, fight for social justice, and create new and sustainable opportunities for health, security and prosperity for us all. I encourage you to stay connected to your campus and your peers, to look for opportunities to give back, and to support the future generations who will follow in your footsteps.

And as our many months of physical separation begin to come to a close, I hope you will hold in your hearts all of those who have supported you from afar. The faculty who broadened and deepened your understanding of the world. The counselors, advisors, librarians, tutors, coaches, facilities and support staff who created a nurturing environment of care and growth. Your family and friends, whose belief in you never wavered.

All of these people have been forever impressed by your spirit, determination and accomplishments. Please count me among them — and I know you will continue to make us proud.

Again, congratulations to the class of 2021!

Sincerely,

Joseph I. Castro
Chancellor
THE COLLEGE OF BUSINESS

The College of Business (COB) has nearly 5,500 graduate and undergraduate students. COB offers one undergraduate degree—Bachelor of Science in Business Administration—with eight options: Accountancy, Finance, Information Systems, Human Resource Management, Management, Marketing, Operations & Supply Chain Management, and International Business. In addition, COB offers six undergraduate minors: Finance, Entrepreneurship, Human Resource Management, Information Systems, International Business, and Marketing. At the graduate level COB offers six degrees: Master of Business Administration (MBA), Master of Science in Accountancy (MSA), Master of Science in Finance (MSF), Master of Science in Information Systems (MSIS), Master of Science in Marketing Analytics (MSMA) and Master of Science in Supply Chain Management (MSSCM).

COB faculty members are known for their teaching skills and are recognized for the research they generate in their fields. In addition to their scholarly research, COB faculty members are active in business consulting and community activities. COB’s twelve student organizations provide personal and professional development and serve as a way for students to make meaningful connections on campus. Typical programs and events include professional speakers, company tours, career fairs, and skill building workshops. COB’s Student Center for Professional Development (SCPĐ) engages with local companies and business professionals to provide internships and one-on-one mentoring opportunities for students.

DR. MICHAEL E. SOLT
Dean and Professor, Finance

▲ HONORS AND AWARDS
