## WHY A DOCTORATE @ THE BEACH

Our program is a **dynamic, rigorous, and inclusive** doctoral program that prepares leaders to make remarkable differences in the educational lives of others. Our mission is to support transformative and socially responsible leaders who engage others, value diversity; operate with academic integrity, and believe in people and their educational futures.

- ▶ Commitment to social justice and racial equity.
- ▶ Dynamic teaching & learning environment
- ▶ Nearly all classes taught by full-time faculty
- ▶ Core classes are taught by a K-12 and a higher education faculty member to offer a K-20 perspective
- ▶ Extensive student support services
- ▶ Engaged faculty with significant PK-12 and Higher Ed leadership experience
- ▶ Cohort experience for strong and supportive learning community.
- ▶ **77%** of our students graduate in 3 years (and most remaining students complete 1 additional semester)
- ▶ **98%** overall graduation rate

## WHERE PROFESSIONALS

### YEAR-ROUND PROFESSIONAL DEVELOPMENT OPPORTUNITIES

The **Educational Leadership Symposium** is held each January. Students and others present their research in paper and poster sessions and lead workshops on the chosen topic of the event. Past themes include Urban Education and Social Justice Leadership.

**Workshops, dialogue sessions, and seminars**, often with expert guest speakers, throughout the year.

**International faculty** presentations

**Mixers** and other events provide an opportunity for current students and alumni to engage in professional networking.

**The Annual Wine and Dine** celebrates cohort reunions and brings together current students, faculty, and alumni. Money raised goes towards the Social Justice Scholarship Fund.
